# LANDONG, JOHN WAYNE S.

A 3rd-year Computer Science student at the University of Cabuyao, recognized for being meticulous, responsible, and grounded in a strong sense of discipline and purpose. Demonstrates initiative, critical thinking, and the ability to collaborate effectively in both technical and creative teams. Committed to developing innovative software solutions and contributing to both academic and organizational growth. Sees himself as a student leader who leads by example—supporting others, encouraging growth, and fostering a culture of collaboration and integrity within the academic community.
